

## Dashboards – Not just for your car anymore!

Once Point2 Agent is rolled out to all <MLS NAME> members in the very near future, you will be issued your very own Syndication Dashboard, or control center, to establish relationships with over 35+ partners.

Once your Syndication preferences are set, all you have to do is sit back and watch the traffic to your listings and leads from your listings roll in. All for **free**.

Learn more about what <MLS NAME> has planned with Point2 Agent on our website.
