Point2 Premium Makes You Money

Join the ranks of the highest level of Point2 membership - [Premium](#). Point2 Premium is the ultimate system for brokers and power agents.

Not only does the Premium membership remove all the limits from your website features, it helps you generate additional revenue by selling ad space on your website. The Premium package includes an integrated revenue-generating ad space tool so that you can generate another stream of revenue via the traffic your website receives. Many Premium members are able to more than cover the cost of their subscription with the ad revenue, and the built-in tools make it a breeze.

Upgrade to Premium to receive an additional \$2,300 per year in free advertising on Point2 Homes.
