

Point2 Agent working for your MLS

1 Point2 uses your feed to automatically import listings

2 Listings are then syndicated to Point2's dozens of syndication partners

3 Comprehensive statistics, tracking and prospects are delivered directly to your members, with dozens of optional web marketing tools available

Not only does Point2 cost you nothing to implement for your entire membership - it has the potential to generate substantial revenue for your MLS.

Visit www.Point2Agent.com to learn more.
